

HAVAL
SUV LEADER

HAVAL H6

DESIGNED TO GET YOU MOVING

GREAT WALL MOTORS • NEW PLATFORM

Innovation that inspires.

Global High-Intelligent Modular Technology Platform

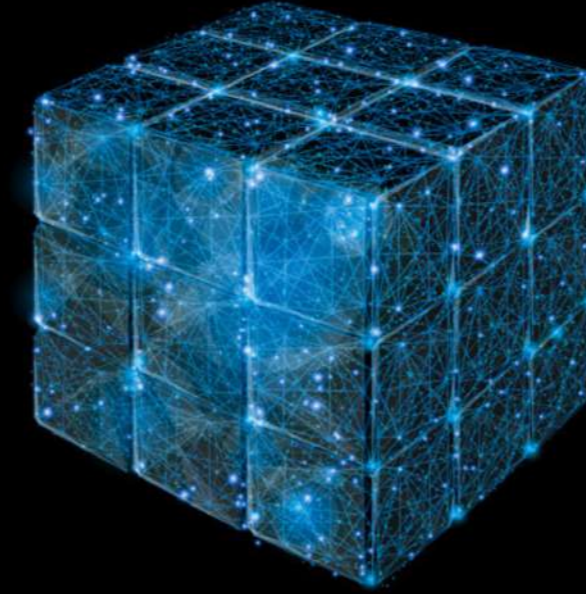

The new Haval H6 is built on a worldwide high-intelligent and modular technology platform, which promises a smarter, safer, more adaptable, and connected driving experience for you and your family. With its lightweight design, this fascinating progression of technology provides improved power, increased comfort, reduced NVH (noise, vibrations, and harshness), and lower fuel economy.

HIGHLIGHTS

In every direction, a seamless performance

No matter what journey you're on, the Haval H6 performance has evolved and modernized to give you improved adaptability. Over 6 million kilometers of road testing. For a more amazing drive, 18 different types of global environmental applications provide true versatility and superb reactivity.

Extensibility is high, and the possibilities are unlimited.

The Haval H6's extensive power adaptation capabilities will elevate your travel experience. Because of the great extensibility, you can choose from a variety of power modes, powertrain systems, and transmissions.

Lightweight performance at its finest.

The Haval H6 is substantially lighter than its predecessor, resulting in a 14.5 percent gain in fuel efficiency, making it the ideal SUV for family adventures.

**A SYMPHONY OF MOMENTS
THE NEW GENERATION H6**

Sophisticated in every way.

Every design detail has been fine-tuned and sculpted with a sense of refined elegance, inspired by a fusion design of Asian and European influences.

A fusion design of Asian and European influences

Fangsheng Pattern Grille (Double Auspice Pattern)

W-HUD

**EFFICIENT POWER
HIGH POWER AND LOW CONSUMPTION**

2.0 GDIT Engine + 7DCT Transmission

4B15D HEV Engine

Intelligent 4WD System

Performance technology for SUVs at its best.

The elegant Haval H6 offers a strong 2.0GDIT engine with a range of advanced innovations such as a Miller cycle, electronic water pump, 12:1 high compression ratio, and a thermal efficiency of up to 38%, in addition to its luxuriously excellent appearance. All of this cuts down on fuel usage and pollution while still providing outstanding performance.

The powerful 2.0L engine produces 150kW of power at 6,000 to 6,300 r/min and 320Nm of peak torque at 1,500 to 4,000 r/min.

The unique, second-generation 7DCT reduces throttle reaction time by 200ms and improves gear-shift efficiency by 100ms.

With a seamless transient response and torque distribution, the intelligent AWD system enhances your driving experience by allowing the front and rear axles to work at a 50/50 ratio.

The H6 is equipped with all-terrain management, which ensures maximum traction and stability in a variety of driving conditions and terrains.

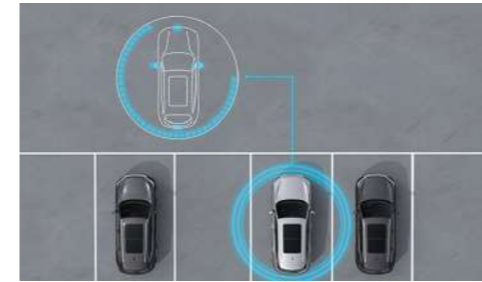

71.61% High-strength Steel Body

**DEVELOPED WITH YOU IN MIND
SOPHISTICATED SAFETY INNOVATION**

Peace-of-mind at its finest.

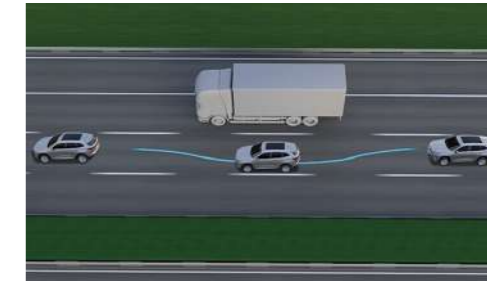

The Haval H6 comes equipped with a comprehensive set of safety systems, allowing you to spend more time relaxing and enjoying the ride. With Autonomous Emergency Braking, you may cruise with confidence in any direction. Adaptive Cruise Control, Lane-Keep Assist, and Rear Cross-Traffic Alert are among the features available.
